The Outreach Committee would like to thank everyone that donated diapers in 2020 as we were able to deliver over 5,900 diapers in a challenging year to Tender Care. Tender Care is still in dire need of diapers and we hope that Trinity will be able to deliver even more diapers this year. To make it easier we are placing a box just inside the front doors so you can drop off your diapers without having to go inside and down to the Fellowship Hall to drop off. We appreciate all your past support and hope you will be able to continue this valuable outreach to our community
