*Everything Happens for A Reason
and Other Lies I've Loved*
by Kate Bowler

Monday Evenings from 6-7PM

April 4-25th

In life's toughest moments, how do you go on living? Kate Bowler has been exploring this question ever since she was diagnosed with stage IV cancer at age 35. In a profound, heartbreaking and unexpectedly funny talk, she offers some answers -- challenging the idea that "everything happens for a reason" and sharing hard won wisdom about how to make sense of the world after your life is suddenly, completely changed.

"I believe that in the darkness, even there,
there will be beauty and there will be love."

Facilitator: Dan Irwin
