A message from Pastor Fred

Special Worship for October and November

October brings us two very special church celebrations, World Communion, and Reformation Sundays. Both, remind us of our connectedness with Christians around the world. No matter who we are or where we live, God's love and grace reaches out and makes a difference in our lives. **Dinner Church** will return, **Wednesday, October 4th at 6PM.** We will host Dinner Church each first Wednesday of the month. The next offer will be Wednesday, November 6th. Join us for this time of Potluck food, fellowship and faith!

October 1, 2023, is World Communion Sunday. Traditionally, this worship offers congregations a distinctive opportunity to experience Holy Communion in the context of the global community of faith. The first Sunday of October has become a time when Christians in every culture break bread and pour the cup to remember and affirm Christ as the Head of the Church. On that day, they remember that they are part of the whole body of believers. Whether shared in a grand cathedral, a mud hut, outside on a hilltop, in a meetinghouse, or in a storefront, Christians celebrate the communion liturgy in as many ways as there are congregations. World Communion Sunday can be both a profound worship experience and a time for learning more about our wider community of faith.

Sunday, October 29th is Reformation Sunday! Throughout the year we preach about many things in church. About how we live our daily lives, the choices we make, the habits of our faith. On Reformation Sunday we are brought back to the most important thing – the thing that compelled Martin Luther and others to risk their lives. In our worship we are invited to return to the core of our faith:

God loved us first, and God continues to shower us with grace and mercy.

November always begins with our celebration of the Saints who have died over the past year. We will light candles and ring the singing bowl as each name is read. We will also celebrate around the Communion Table. Please join us for **All Saints Day, Sunday, November 5th**. It is a One Service Sunday at 10:30AM. We remember these Saints of Trinity:

Robert J. W. Young
Charles A. Ritter
Joseph S. Wisotzkey

Marilyn H. White
Donald C. Walsh
Darla Jean Christopher

Carol L. Zeigler
Diane L. Wisotzkey

All of these special times of worship call us to be more loving and grace-filled, because God was gracious and merciful to us. We are called to repent of the times that we have placed barriers that have kept others from hearing the Good News. We are called to remember that all that we are is a gift from God. And this grace and love is for all children of God!

Blessings!
Pastor Fred

Blessing Box Removed: Due to the increased concern of items being placed in the box and the safety of the community members using the box, as well as the vandalism, the decision was made by Consistory to remove it in the best interest of the church. It became a liability for the church.

Capital Campaign for Building Projects

Thanks to many donations, our accounting manager reports that Trinity has received \$94,000, or 69%, of the \$137,000 needed for the Capital Campaign!

If you have not yet donated, we respectfully request that you consider making a donation soon. The campaign is currently scheduled to run through December, 2023.

Donations can be made directly to TUCC church office with “Capital Campaign-Building Projects” in the memo line or in the “Capital Campaign” envelope you have been receiving in the mail. You may also donate through the E-Giving under the “Capital Campaign” donation box.

Lastly, you may designate a donation you commit to making on a monthly/periodic basis using the attachment to the June campaign letter.

Property Committee Update October, 2023

Our property projects are progressing. There are just a few items to complete before the Parsonage bathroom is complete. It's been a long journey, but we are near the end!

Other projects that will be completed this fall and winter are as follows:

- Replacement of the parsonage windows
- Repair and wrapping of the window sills in Fellowship Hall
- Repair of the round window at the UUG church
- Replacement of the front door at the UUG church (this is a safety concern)

In addition, we are working at replacing light bulbs in the sanctuary with LED lights. Hopefully, this will result in lower electric bills and less frequent replacement of the bulbs.

Routine maintenance projects that have been completed are cleaning the carpets in the sanctuary, gathering area and administrative area. We plan to clean the carpets annually and the upholstered furniture every other year. Regular cleaning should lengthen the life of these items.

Bruce has replaced the wooden blocks with door stops to hold doors open. This eliminates the need for searching for the blocks as well as replacing the door apparatus on one of the doors leading into the sanctuary.

The next major project is repair of some masonry joints on certain areas of the historic part of our building as well as sealing those bricks. That project will need to wait until additional funds are raised.

Heartfelt thanks for those who have contributed to the Capital Campaign. These funds will enable us to get Trinity shipshape and eliminate the need for major repairs in the foreseeable future (barring disasters, of course).

Thanks to everyone who helped with Polish Potter bingo – especially Tim and Becky Woodward who lent their expertise and donated the prize pottery. It was great fun!

October Faith Study – Mondays, October 9th, 16th, 23rd, 30th from 4:00pm – 5:30pm

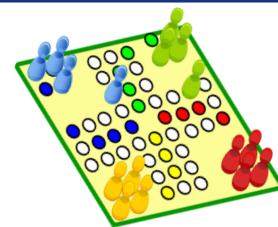

Intentional Creativity . . . art, prayer and contemplation. Facilitator: Kara Young.

What I love seeing is the deep change that happens as you connect with your unique voice. Painting gives us the opportunity to hear ourselves in a society that is constant, loud and conforming. Creating builds a place of rest. The themes I want to explore with you are deep listening, building self-confidence, celebrating beauty, and connecting through self-expression.

**Messy Church! Game & Pizza night
Sunday, October 15th from 4:00pm – 6:00pm**

Bring a favorite board/floor game, cards, or puzzles to play with your Trinity friends. All ages welcome!! Pizza and snacks will be provided. Don't miss the fun!!

Open and Affirming (ONA)

The Open and Affirming Process Committee is working diligently to provide appropriate educational opportunities in the upcoming months.

On the calendar thus far:

Sunday, October 8th at 9:00am - “What is a covenant?” by Pastor Fred (approximately 30 minutes - Adult Sunday School to follow as time allows)

Sunday, October 22nd at 9:00am - “St. James Lutheran Church’s experience in becoming ‘*Reconciling in Christ*’; before and after.”

Sunday, November 5th at 9:00am - Dr. Julia O’Brien, Professor of Hebrew Bible/Old Testament and Director of the Master of Arts in Ministry and Leadership Program at Lancaster Theological Seminary. (Topic still being determined.)

All of the above sessions will be held in the Fellowship Hall and are expected to last between 30 and 60 minutes. Speakers are offered 9:00am or 11:30am time slots, which are chosen based upon the speakers’ availability and the availability of the Fellowship Hall. Session for congregation discussion will be offered.

What’s going on with RRP? Probably more than you can digest! Let’s start with spring of 2023:

We had two graduates from Gettysburg high school. Our career options team had been working with both upcoming graduates to secure a future in line with their hopes and expectations. The oldest son was interested in a good paying job with a future. After exploring career link, HACC, and other options, our team members located a local executive with contacts in several areas. He met the family and was impressed with the eldest son. He is now working full-time as a Carpenter trainee and earning a good income.

The second oldest son, who also graduated, had been interested in going to college ever since he arrived. The first words of import that he spoke while sitting on the newly placed couch in the newly acquired rental house, were that he was hoping that he would have a chance to go to college and was wondering if there might be some way we could assist him. Our team members went to work and assisted this young man with every aspect of college application, writing essays, applying for scholarships, filling out paperwork and visiting campuses galore. Then, a tutor was found for the summer to help him polish his writing skills.

The final result was a generous financial package that allowed him to attend Elizabethtown college. He is extremely happy and has made several friends and joined the lifting team! He is impressed with the availability of prepared food whenever he visits the dining hall, and the opportunity to have a schedule that includes studying, exercising, visiting professors during office hours to clarify his studies, and hanging around with other kids. He said he is very happy.

Though mothers with young children sometimes take a backseat when it comes to career development, recent events have paved the way for one mom to acquire a Serv-safe certificate, and she is hoping to prepare her Afghan bread, or naan, in a certified kitchen for sale to the public. The other mom is interested in setting up an alterations business. They are receiving assistance on both fronts.

Racing events have been popular, with the Highmark Wholecare Memorial Day Free 5K and Labor Day Free 5K, both sponsored by Healthy Adams County: The father in our 2nd family (Ahmadzai) ran the Memorial Day event, and rated well in his age group, while the Labor Day run resulted in 3 of our first family (Nasiri) placing in the first 6 finishers. They took 1st, 2nd and 6th place out of about 200 runners, with the father finishing the race in good standing for his age group, as well! Meanwhile the youngest 3 Nasiri’s have done some fun runs weekly for a month in the spring and in September, with several wins to their credit!

Both families are finding ways to connect with others, through worship opportunities closer to home, and through team soccer for adults, and English classes at the college. Children continue to do well in school, and generally life is good in these United States. Our families say that Gettysburg is a good place, with good people. They love the green-ness of our surroundings and compare them to other places with more brown in the landscape. For them, the grass is greener on THIS side of the fence!

Tuesday, October 31st 6:00pm to 7:30pm

We will distribute candy to the neighborhood children from our car trunks.

How do we do that?

If you cannot join us, candy or money donations to purchase candy are gladly accepted!

TUCC FALL BAZAAR

**Friday, November 17th from 9am - 6:00pm
Saturday, November 18th from 9am - 3:00pm**

Please consider helping and/or attending.

It's fun and for a good cause!!

**Remember the roast beef dinner Friday evening
and lots of other great, homemade food!!**

We will need help in all areas as the Committee members are getting older and do not want to be working both days for all the hours of the bazaar. If everyone gives a bit of time, we could have a very successful bazaar.

Crafters, Downsizers and Too many Booklovers!!

Your help is needed to adorn the Craft and White Elephant table at the Fall Bazaar. The public is appreciative of our creativity so we need to deliver. Also gently used articles do well at the White Elephant table and books are back due to public

demand. So rummage thru your cupboards and bookshelves. All donations can be left in Fellowship Hall starting Oct 1st or dropped off week of Bazaar.

Thank you for supporting our efforts to have another successful Bazaar and if you can work a few hours during the Bazaar we would be ecstatic!

They have many ministries to the community including a homeless program for men, women and children, and a clothing and furniture voucher program for those in need.

The Adams Rescue Mission strives to reach the least, last lonely and lost with the character of Christ Jesus by fulfilling spiritual and physical needs.

This ministry is funded by YOU! They are a community funded center. The income from the industrial program, thrift store, fundraisers and financial donations keep the ministry working in the Gettysburg area. Thank you!

Pastor Fred & Congregation,
There are no words to describe how lucky I feel to have called Trinity my church for the past 9 months. You all were so patient & kind hearted to the field-ed student who showed up with little experience & confidence. Having all of you smile & cheer me on each Sunday has given me so much confidence in my career choice. I can only hope to have a congregation as welcoming & loving to call my first parish. Truly, thank you from the bottom of my heart for this experience & the gifts shared. (As I write this, my new, beautiful stoles are hanging above my desk - urging me to continue down this ministry path. I can't wait to come back & sit in the pews with you all.
My deepest gratitude, Grace Winakor

Thank you to everyone who helped in the kitchen prior to and during Bingo night. Your assistance was greatly appreciated. Thanks again for helping to make the event successful.

Aero Energy House of Worship Program: We recently received another check from Aero Energy bringing the total up to \$411.72. **Thank you to those who are participating in the program!** If you get your fuel from Aero Energy, you can help Trinity. Members can enroll in *Our House of Worship Program* and Aero will donate \$0.04 cents for every gallon you purchase. They have also expanded their program to include HVAC and plumbing services! Customers enrolled in the *House of Worship Program* will receive a 10% (up to \$250.00/year) donation to their church for HVAC/Plumbing systems sales and service. Flyers available in Gathering Area for more information or how to sign-up.

We wanted to formally invite your congregation to participate in the Aero Energy House of Worship Program. We've included a stack of informative pamphlets for your consideration.

How it Works:

We will donate \$0.04/Gallon of propane and heating oil used annually to your church by any of your members that are Aero Energy customers (this also includes gallons used annually by your church). Churches with members enrolled in the program will also receive a 10% (up to \$250 /year) donation to their church for HVAC/plumbing system sales and service. Last year we were able to donate almost \$20,000 to local churches and this year we want to make sure that your church is one of the beneficiaries. Remember, you are eligible for an annual donation if even a single Aero Energy customer is a member of your church. Churches do not need to be Aero Energy customers to benefit from the program. Interested in learning more? Please feel encouraged to give us a call or visit our website for more program details!

Sincerely,

-The Aero Energy Team

Dear Friends of the Arts:

The Gettysburg Choral Society, Inc. will once again participate in the Adams County Community Foundation's annual Giving Spree on Thursday, November 9th at the Gettysburg Area Middle School, 37 Lefever Street, from 3:00-7:00 P.M. and online.

As you probably know, in just six years The Gettysburg Choral Society has experienced phenomenal growth and popularity. Our simple policy of performing good choral music well has definitely paid off. Last year's Christmas concert at the beautiful chapel on the campus of The United Lutheran Seminary was standing room only. Our series of four patriotic concerts this past summer was also a tremendous success.

Now we are 40 singers strong! Once again, we look forward to performing our annual Christmas Concert at the chapel of the Lutheran Seminary on Friday, December 1st at 7:00 P.M. The program, entitled Joy to the World!, will include some lovely a cappella choral arrangements that capitalize on the chapel's gratifying acoustics. As a special treat, Peggy Haas Howell, a renowned organist, and no stranger to Gettysburg's audiences, will perform a mini concert and accompany the popular singalong.

Our second Christmas Concert will be held at the spacious Seton Basilica in Emmitsburg, MD at 3:00 P.M. on Saturday, December 9th. Joseph O'Brien, the basilica organist, will join the chorus for this special presentation.

As a non-profit organization, with no employees, we're sure you can understand the need that we have for your continued financial support. Without your help, we simply cannot continue providing the kind of programming folks seem to enjoy. If you have not previously contributed to the choral society, we hope you will consider joining those who have by participating in this year's Giving Spree.

There will be much publicity about the Giving Spree in coming weeks. **We want you to know that the Gettysburg Choral Society Giving Spree code is Number 43.** And we appreciate any donation you make that will enable us to continue offering first-rate choral musical performances for the citizens of Adams County--and beyond. Feel free to send your donor form in advance or donate online on November 9th. We hope to see you at our Christmas concerts this year!

Gratefully,
